FARMER'S MARKET

2025 Recap

C A M A S
FARMER'S MARKET

OUR MISSION

To successfully operate and grow an agriculturally based farmer's market in Downtown Camas that supports local farmers and food producers, bolsters fresh food access, nurtures partnerships with local organizations, provides health and wellness education and fosters community connection.

2025 BY THE NUMBERS

- \$436,932 in vendor sales over 18 market days
- \$219,121 in farmer sales
- And estimated \$1.1 million added economic activity generated in the surrounding area
- Records broken for SNAP redemption, shopper attendance and vendor sales
- 12% increase in year over year vendor sales
- Average of 31 unique vendors each week

VENDOR SALES GROWTH

PARTNERING WITH CLARK COLLEGE

Clark College Culinary students provided 12 weeks of chef demonstrations using market ingredients. This partnership supports community engagement by promoting healthy cooking, supporting local agriculture and giving students the opportunity to learn and share their skills in an open-air environment in exchange for an externship credit.

COMMUNITY FOOD ACCESS

359 SNAP MATCH TRANSACTIONS

**\$7.5K IN SNAP MATCH CURRENCY
DISTRIBUTED**

**\$1.6K IN SNAP TOUR DOLLARS
DISTRIBUTED**

**\$5.8K DISTRIBUTED TO KIDS
3-11 THROUGH OUR
PRODUCE PALS PROGRAM**

STUDENT INTERNSHIPS

- The market hosted two Student Interns through Camas High School and the University of Washington Ecology program.
- The UW Student launched a pilot composting program, after extensive research and community surveying.
- Collected compost went directly to the EatWell Community Garden.
- Interns also worked on marketing and community engagement, leading to more robust social media content.

EDUCATION IN THE MARKET

Adults were offered healthy seasonal cooking tips, gardening advice, potentially lifesaving health information and more through community partnerships like the WSU Master Gardeners Program, and the DSHS

Kids ages 3-11 got hands on food safety demonstrations, learned the connection between movement and mental health, and saw the relationships between farms and food at our Kids Connection booth, hosted by over 13 different local organizations.

THANK YOU TO OUR 2026 SPONSORS & PARTNERS
